Howdy NM District!

From the Co-District Director (AKA Teresa)

Yea!!! We survived!!! That was my first thought once the District Rallation was over. First I want to thank everyone that stepped up and helped make the New Mexico District Rallation 2011 a great success!!! The Chapters stepped up and were a HUGE help. Keith and I can't thank you all enough. I believe at last count we had 150 participants this year! WOW!! That is awesome. We have slowly increased our numbers each year. I hope that means that we are actually doing something right. As I stated before, the Chapters are doing it all right. The Chapters were the backbone to the 2011 Rallation success.

Some personal recognition goes out to the following:

Tom and Lisa Evans of Chapter T, they were Keith's right hand when it came to getting the hotel and convention center. They also planned the rides for the Rallation and set up the socials.

Chris and Doug Pettigrew of Chapter C, and also our Assistances, thank you so much for taking care of the registrations. Most people don't know, but there is a lot of work that happens behind the scenes, and registration is a very time consuming job. Chris also organized the talent show.

Speaking of the talent show, thanks to Woody Woods of Chapter C and Monique Kourdae of Chapter W for emceeing! Everyone enjoyed the jokes and the laughs you two provided!!!

Russell (of shut up Russell) and Valerie Shupe, Russell (better known as CB) of Chapter F for taking care of the bike and light show. CB did an amazing job! CB even found time to see a lot of event tickets!

Becky and Bill Brown of Chapter R, Roy and Lil Davis of Chapter D, thank you all for taking care of the Goodie Store and the door prize table. You guys rock!

Ralph and Robynn French of Chapter W, thank you two for taking care of the mascot contest and the Couple of the Year Baskets. They also sold tickets for drawings.

Now to the Member Enhancement coordinator, The Man, The Myth, The Legend, Joe O and Nancy. Thank you both for all your help. Joe is very good about giving feedback and getting us to look at things that are possibly just a little further than outside the box. He and Nancy help us whenever and wherever we need help and we certainly appreciate it.

Now on to the District Educators, Jerry and Becky Stillwagon, Gail Reynolds, and Jimm and Pam White; there isn't enough good that can be said about these people. We heard extremely good things about the classes that were held during the Rallation. Feedback from attendees is the best score card and each of these individuals received marks way above the A+. Along with the above mentioned, Joe O, Chris Pettigrew and Michele Leist taught classes and also received great accolades by all attendees.

To the District Motor Awareness coordinators, Gene and Jeanie Wagner; thank you both for all you do. Jeanie worked anywhere we needed her. She is also the District Treasurer so she had a tough job...collecting money! If you miss the beautiful yellow Motor Awareness signs and would like one, I am sure Gene can hook you up.

A special shout out to Mark and Kerry Davis from Chapter W and Wayne and Penny Holly from Chapter F. Mark and Kerry once again designed and printed this year's Rallation Program and wouldn't take any money for it. Wayne and Penny designed and created this year's Rallation shirts and boy did they knock it out of the park!!!

Thank you to ALL the Chapter Members for your support. Keith and I would not be able to do what we do without each and every one of you.

We would also like to congratulate all the folks that were lucky enough to walk away with a prize or two. I still can't believe the Redlines didn't win anything.

The Hotel Management was thrilled with the turnout. The staff was very accommodating too. One of the fellas that Keith had worked with just raved about That Hat. So Keith gave him one just like it. So now That Hat is in Las Cruces probably multiplying...LOL

The ride home was enjoyable. Keith had his bike and I was in the car with all the Rallation stuff. Keith had the Motor Awareness Gorilla in the back seat of the bike. I can't remember how many times people in their cars pushed their way in front of me in the car, or got way too close just to get a picture of the Gorilla. It was hilarious! There was one couple that managed to get pictures from both sides of the bike. They had followed us for a long way to get pictures. I guess that means the Gorilla with his bright yellow Motor Awareness T-shirt is getting noticed...hahaha!

Although we are glad to have survived and are already in the planning stages for the 2012 Rallation, Keith and I couldn't be happier with how everything worked out. Being able to visit and see the smiles on people's faces was wonderful.

Keith does an amazing job each and every day. Yes, I am a bit biased, but for very good reasons. I'll just leave that as that. (no dirty minds)

So until next year when we come calling on you all again, always know that Keith and I appreciate each of you and all that you do. This is YOUR District and you all serve it well.

Last, but not least, we would like to thank all our sponsors and vendors. Without their support and dedication to our "hobby", we couldn't provide you with the great shopping and awesome grand prizes. I know I'm gonna miss some and I apologize in advance. Thanks to Rick and Lynda from the Accessory Pit, JD and Terry from R & S Honda, and Michael and Karla from Wing Bling

Till next month...keep smilin'...:))) & ride safe!

Here's to good friends, good times, & Gold Wings!!!

Assistant District Directors

Doug & Chris Pettigrew

The end of the year is near and we have just completed a fantastic Convention in Las Cruces. Chris and I worked the registration this year. That's a much bigger job than I had realized. However, it did go a lot better than I had anticipated. Chris and I are very thankful for all the help Chapter W and Chapter C gave us. Without their help it wouldn't have went so smooth.

Chris was responsible for a new event this year, the Talent Show. This was a huge success and will continue next year. We need to have more participation from other Chapters to help make this an even larger event, and give Chapter C some competition. You might say I'm a little bias since Chapter C won the Chapter title as well as the Individual title. A special thanks to the judges who gave some of their time to lend a hand, and also to Woody and Monique for doing an outstanding job as emcee's!

Chapter C is already working on their next performance so I'm going to throw down the gauntlet and challenge all the other Chapters to give it their best to prevent Chapter C from taking both titles next year.

We are also very proud of our own Donna Labatt for not only being Chapter C's Individual of the Year, but now also has the same title for the District. Congratulations Donna! We had quite a few out of state visitors to our Convention this year. Keith and Teresa did an outstanding job promoting and coordinating this event this year. Chris and I will look forward to lending a hand at next year's rally. Hope to see you all there.

Ride safe and often,

Doug and Chris Pettigrew

Rider Education

Jerry & Becky Stillwagon

If you read the November issue of "Wing World" you will know that Tony and Michelle Van Schaick will be replacing Gene Knutson as GWRRA Director of Rider Education. We look forward to working with Tony and Michelle while we continue to wish Gene the very best and hope we see him at the next GWRRA function.

The New Mexico District Convention held September in Las Cruces and the Rider Education classes and seminars which took place at the event were very successful this year.

50 members were trained in the 9 seminars or courses, which included the Advanced Rider's Course, Trike Rider's Course, First Aid/CPR Course, Co-riders Seminars, Team Riding Seminars, and Motorcycle Crash Scene Response Seminar. After the classes were complete we were pleased to be able to present the new Level III awards at the convention to Chapter W's Dave Gottheimer, and Harry & Amy Jenkins.

We are also very pleased to present Roy Davis, Chapter D Director, and Bill and Becky, Chapter R Directors, with their Level IV Master Tour Rider patches. Way to go Roy, Bill, and Becky!!

This month Chapter R Educators, Ken & Sheila Thompson wrote an excellent article on the Rider Education and the Rider Education Levels Programs. If you have not read the article I highly recommend you take a look at it <http://www.gwr-ra-nm.org/ChapterR/Newsletters/2011/Oct11.pdf>.

Next month I hope to get back to sharing more tips on rider safety. If you have had an experience that enabled you to become a safer rider I would like to share it with others in an effort to help them avoid similar mishaps. Please e-mail it to me. As always, your identity will be kept confidential unless you tell me otherwise.

Ride often and ride save.

Motor Awareness Coordinators

By Gene & Jeanie Wagner

Greetings to all: We had a very successful rally (convention) in Las Cruces. I gave a seminar on motorist awareness. We of chapter F can be proud of what we have accomplished. We are the first chapter and district to have had a show at a major mall. I had 12 people at the seminar from most of the chapters. I was surprised that 12 folks would show up to hear me speak. By the end of this year I hope to have spoken to 2 or 3 clubs, like the lions and elks.

Head / Neck / Spine Injuries Signs & Symptoms

For a Severe Injury

- The scalp, neck, or back bleeds.
- It looks like the head, neck, or back is in an odd position.
- Pain is felt in the back, neck, and/or head. The pain can be severe.
- Stiff neck.
- Abdominal pain. Vomiting.
- Blood or fluid comes from the mouth, nose, or an ear.

Keep the head, neck, and back perfectly still.

- Loss of vision. Blurred or double vision. Pupils are not the same size.
- Inability to move any part of the body. Weakness in an arm or leg. Walking is difficult.
- New feelings of numbness occur in the legs, arms, shoulders, or any other part of the body.
- New loss of bladder or bowel control occurs.
- Confusion. Drowsiness. Personality changes.
- Convulsions.
- Loss of consciousness.

Watch for signs and symptoms for the first 24 hours after the injury. Symptoms may not occur for as long as several weeks, though.

For a Whiplash Injury

- Neck pain and stiffness.
- Having a hard time raising the head off of a pillow.

Causes

Anything that puts too much pressure or force on the head, neck, or back can result in injury. Common causes are falls, accidents, and hard blows.

Treatment

If you suspect a head, neck, or back injury, you must keep the head, neck, and back perfectly still until emergency medical care arrives. Any movement of the head, neck, or back could result in paralysis or death.

Self-Care / First Aid

First Aid for a Severe Injury

- Do not move the person unless his or her life is in danger. If so, log roll the person, place tape across the forehead, and secure the person to a board to keep the head, neck, and back areas from moving at all.
- Call 9-1-1!

- Check for a response. (See Step 2 in First Aid Precautions.) If giving rescue breaths, do not tilt the head backward. Pull the lower jaw open instead.

To Immobilize the Head, Neck, and/or Back

- Tell the person to lie still and not move his or her head, neck, back, etc.
- Log roll as listed above or place rolled towels, etc. on both sides of the neck and/or body. Tie in place, but don't interfere with the person's breathing. If necessary, use both of your hands, one on each side of the person's head to keep the head from moving.
- Monitor until emergency medical care arrives.

NM DISTRICT 2011-2012 INDIVIDUAL OF THE YEAR (IOY)

This year's District Convention saw the crowning of a new District IOY, Donna Labatt of Chapter C. Donna was the Chapter C IOY and now moves up to a higher level with new personal responsibilities. Next May Donna will participate in the Region F IOY program.

Donna's qualifications for IOY were evaluated by seven judges: our current NM District Couple of the Year (COY), Ralph & Robynn French, Region F Assistant

Directors, Gary Woo, Arizona Director, Bill Region F

Awareness Coordinators, Dave & Sandi Novitt. judges first reviewed Donna's resume' and took part in a scored, private, half-hour question and answer session.

KEITH'S BURDEN

Having a "monkey on your back" can mean different things to different people but Keith (and Teresa) really had a monkey on their backs at our recent convention. As District Directors Keith and Teresa were really responsible for putting together a successful convention. Keith was even down early to honcho set-up activities.

The District staff was there in force and no doubt lessened the weigh of the monkey on Keith and Teresa. Keith let the staff do its thing with a minimum of supervision and as a whole all performed admirably. It shows what our staff can do when left to their own devices. No doubt, with this year under our belt, next year will be even better. We had a very entertaining talent show that had people in stiches. Russell Hall, with the help of Harry Jenkins, conducted one of the most professional bikes shows we have ever participated in. Closing ceremonies was certainly one to remember if not for the quantity of door prizes, grand prizes, award presentations, Individual of the Year selection, and the

overall great friendship that we always experience at a Gold Wing GWRRA get-together.

It's great when everything comes together and all have an enjoyable time. Now is the time to mark your calendar for next year's convention (date (?) and location still TBD).

Couple of the Year

Ralph & Robynn French

YOU MISSED IT if you were not at the District Convention this year in Las Cruces. We had a lot of fun and were very busy. As you may know each year couples and individuals may compete for the District title of Couple or Individual of the Year. This year, sadly, none of the chapter couples completed for the district title, however, and very exciting, an individual decided to compete for the title of Individual of the Year for the NM-District. Ms. Donna Labatt participated in the interview process. Ralph and I, as the current District Couple of the Year, were asked to assist with judging this portion of the IOY process. It was very interesting to be the outside looking in. Joe and Nancy also asked us to have Ms. Labatt present her program during closing ceremonies. We participated in the presentation and then announced that Donna was the recipient of the NM-District Individual of the year, the first in this position in the last two years. She was presented with a certificate, her rocker patches and a lovely medallion designating her status as Individual of the Year. When you see her at

the various functions, rides and conventions, please say hi, she is very friendly, and congratulate her on the wonderful achievement.

Thank you to all the Chapters that participated in the District Basket sales to raise funds to the COY and IOY programs. I don't know what was raised financially but I know all the baskets were stuffed with tickets and many were disappointed when their ticket was not drawn as a recipient. This has become a huge success within the Region as a fundraiser and many enjoy the variety of items placed within each basket. There are never any baskets without tickets. This is a fun and profitable event.

This year our Chapter Mascots were again placed where they could participate in the adventures. \$.25 were placed in the various bins and each mascot was hoping they would receive the most \$.25s. Each participate received a certificate for attendance and as always there is one lucky mascot who obtains bragging rights for the next year as the District's favorite mascot. This year is no exception: ET from Chapter R, Southeast, NM will be bragging throughout the year, again!!!. Go ET!!!

Rallation Bike & Light Shows

Russell "CB" Hall – Chapter F ACD

Chapter F had 20 Members attend the New Mexico District Convention held in Las Cruces on Sept. 22nd thru 24th. Many F'ers helped with seminars such as Gene Wagner with Motor Awareness, Joe and Nancy Opuszanski with Membership Enhancement and Jimm White with Motorcycle Crash Scene Response. There were also some Chapter F Team Members, Jeanie Wagner, Nancy Opuszanski, and Russell "CB" Hall, who helped operate the check-in desk, door prize area and selling the tickets for all the giveaways. Deane Crawford gave a presentation on his recent Alaskan motorcycle trip.

CB organized the people participation games where the winners won tickets to increase their chances of winning the door prizes of their choice. We staged a spot in the "Whole Enchilada Festival Parade" where 12 bikes / trikes from different Chapters rode in the parade. Everyone rode with pride representing GWRRA and Chapter T of Las Cruces. It was a fun event and Tom and Lisa Evans, Chapter T Directors were awarded a 1st place showing in the "Motorcycle Category" for the parade.

Chapter F put together the bike and the light shows. We had 17 entries in the bike show; we had bikes and trikes and even a Vespa scooter competing for top honors (see results below). There were 12 bikes/trikes competing in the light show with each participant choosing one of three classes they wanted to compete in. Class 1, Bikes only (non-moving lights), Class II, Bikes w/trailers or sidecars, Trikes w/or wo/trailers (non-moving lights) and, Class

III Bikes or Trikes (moving lights). I think all the Convention attendees were present of the light show and everyone sure got a good show. Each bike or trike got to light their bike up and parade through the crowd individually with all eyes solely on their bike/trike. The parking lot was totally dark and each class put on a great showing of the detailed work they have or have had done on their machines, they lit up the night. At the close of the event all entries paraded through the parking lot with all their lights lit up, flashing, blinking and dancing all around. The traffic backed up along the street we were next to, all stopped to see the show (see results below). The Bike and Light shows were a big success and a great deal of thanks go to Chapter W members Harry and Amy Jenkins, for their input and help with the safety pre-inspections and classifications of the bike/trike entries. Thanks go to the judges of the events (CB "F", Harry and Amy Jenkins "W", Gene Adler "W", Maria Sabatel "W" and Deane Crawforth "F") for the giving of their time and efforts to make a good show. The award presentation was done on Saturday evening after dinner and the results of the competitions are below. Thanks to all who entered and congratulations to the winners!!

Wearing your jacket back wards !

Two guys were roaring down the road on a motorcycle when the driver slowed up and pulled over. His leather jacket had a broken zipper, and he told his friend, "I can't drive anymore with the air hitting me in the chest like that." "Just put the jacket on backwards." His friend advised. They continued down the road but around the next bend, they lost control and wiped out. A nearby farmer came upon the accident and ran to call the police. They asked him, "Are they showing any signs of life?" "Well," the farmer explained, "the driver was until I turned his head around the right way!"
